

Oxford Child Sexual Abuse Examination Skills Trainer

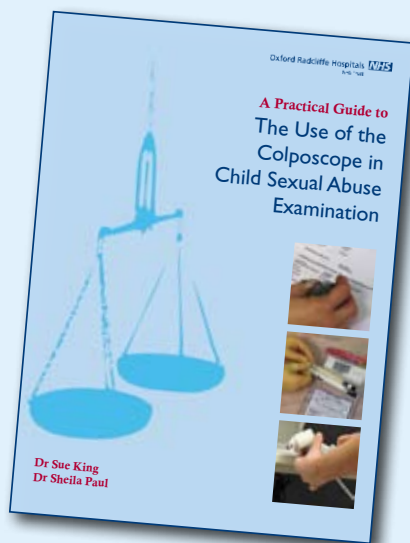

An Anatomical Model with Accompanying DVD

“A Practical Guide to the Use of the Colposcope in Child Sexual Abuse Examination”

PRODUCED BY:

Dr Sue King – Associate Specialist in community paediatrics at the Oxford Children’s Hospital, with 18 years experience of CSA examinations.

Dr Sheila Paul – GP in Buckinghamshire, forensic physician and Sexual Offences Lead for Thames Valley Police and member of RCPCH female genital signs working group.

Dr King has developed an anatomical model in collaboration with **Pharmabotics Ltd**, to enable doctors to practice the colposcopic skills needed when examining children who have been sexually abused.

With Dr Paul, she has produced a practical guide on DVD covering consent issues, examination of the prepubertal female child and gathering of forensic evidence, to be used in conjunction with the model.

An anatomical model with accompanying DVD
